

Membership Special

Tell your friends, we are running a Membership special in January. Any new member who joins by January 25th will receive FREE cart rental for the whole year of 2019. Call Cindy for details.

This amazing deal ends on January 25th, so tell your friends who are interested in joining to hurry!

Golf Course – Winter Conditions

To all of our private cart owners, please check with the Golf Shop prior to play. Your cooperation is appreciated and will only help us to give you better playing conditions in the spring. Please scatter your foot and cart traffic and avoid bare areas.

Sledding: If we have enough snow for sledding, please make sure that your children know to **stay off of the greens**. If you do see someone on the greens, call the Clubhouse (270-842-0041) or the Golf Shop (270-843-8256) immediately!

Monthly Statements and Billing of Annual Fees

The January statement includes your 2019 Social Fee of \$130. These funds are used solely for Social Committee sponsored events such as New Year's Eve, Children's Halloween Party, Derby Day, The Luau and other various events. February's statement will include Club Storage and Locker Rental. If you would like to sign up for a locker or forfeit your locker, please email csummers@indianhills-bgky.com.

All annual Cart related charges: Cart Rental Program, Cart Storage and the Drive-On Fee will be on your March statement and the Range Program will be on the April statement. **Those members wishing to spread out the annual cart fees over a three-month period, whether it is for storage, rental or drive on fee should pay the first third in January**. All cart fees are to be paid in full by March 20th to avoid a late fee. Only family members 16 years of age or over are permitted to drive the cart. This age limit also applies to private carts. Indian Hills does not allow carts to be hauled in and out for daily use.

Golf Handicap Service

The Kentucky Golf Association (KGA) will automatically keep each golfer currently on the handicap roster unless they are notified to delete a member from the list. If you no longer wish to participate in this service, please call John Mullendore, 270-843-8256, to have your name removed prior to the KGA's billing to the club in early March. We do not generate income by charging members the annual handicap fee, we only bill members that we have already had to pay for.
